## ANALYSIS

1. Electronic accessories are the most bought items across all stores.
2. Store A performed better than store B and C
3. The most preferred mode of payment is the Ewallet
4. Having a membership doesn't affect the number of individuals that shop at the store since there is a slight difference in the total number of orders made by members and no-members (normal) customers.
5. The stores average rating is a 7 out of 10.
